NOVEMBER 2025

FOREWORD

The Supplementary Budget Estimates for the Financial Year 2025/2026 and the accompanying Medium-Term Expenditure Framework (MTEF) have been prepared as a consultative policy and planning document that integrates the County Government's development priorities with the available resource envelope. This document has been developed in compliance with the Constitution of Kenya, 2010, and Section 135 of the Public Finance Management (PFM) Act, 2012, along with its attendant regulations of 2015 and other enabling legislation.

The supplementary estimates have been aligned to the County Integrated Development Plan (CIDP) 2023–2027, the Annual Development Plan (ADP) for FY 2025/2026, the County Fiscal Strategy Paper (CFSP) for FY 2025/2026, the National Budget Policy Statement (BPS) 2025, County Allocation of Revenue Bill 2025 (CARB), the Fourth Medium Term Plan (MTP IV) 2023–2027, and the Bottom-up Economic Transformation Agenda (BeTA).

The total supplementary budget estimates for FY 2025/2026 amount to **Kshs. 11.248 billion**. Of this, the County Government expects to receive **Kshs. 7.957 billion** as equitable share from the National Government, **Kshs. 1.171 billion** in the form of loans and conditional grants and balances brought forward for the FY 2024/2025 of **Kshs. 1.120 billion**. Additionally, the County Government projects to raise **Kshs. 999.76 million** from own-source revenue. This comprises Kshs. **554.698 million** from various local revenue streams and **Kshs. 445.063 million** as Appropriation-in-Aid (A-i-A) under the Department of Health Services and Sanitation.

The projected expenditure for FY 2025/2026 also totals **Kshs. 11.248 billion**. Of this, **Kshs. 7.380 billion (65.6%)** has been allocated to recurrent expenditure, while **Kshs. 3.868 billion (34.4%)** is earmarked for development expenditure.

The County Treasury remains committed to supporting all departments in the effective implementation of the planned programmes. It will also enforce prudent financial management and fiscal discipline in line with the principles set out in the Constitution, the PFM Act, and other relevant legislation.

Hon. Douglas Ejakait Okiring.
County Executive Committee Member – County Treasury and Economic Planning.

ACKNOWLEDGEMENT

The preparation of the FY 2025/2026 Supplementary Budget Estimates and MTEF was a comprehensive, inclusive, and participatory process. I am deeply grateful for the invaluable inputs and collaboration from all stakeholders involved.

I wish to acknowledge the commitment and contributions of the County Executive Committee Members, Chief Officers, Directors, and the County Assembly. Special appreciation goes to the CECM for County Treasury and Economic Planning for his strategic leadership and unwavering support throughout the process.

My sincere thanks to Mr. Evans Wandera Wangata, Director of Budget, for his outstanding leadership in coordinating the preparation of this document. I also commend the efforts of Mr. Jesse Mang'eni (Deputy Director), Mr. Amos Owana Imooh, Mr. William Chepkwony, Ms. Maureen Anyango Ochieng, Mr. Kevin Otieno Omondi, Ms. Beverly Anyokorit Ote, Ms. Marlene Ursula Ajiambo, Mr. Chrispinus Oroni, Mr. Tiberious Muganda, Ms. Verah Ingutia, Ms. Sherry Okuku, Ms. Mercy Minayo, and all departmental budget officers for their dedication and professionalism during the compilation and finalization of this budget.

Lastly, I express my heartfelt gratitude to His Excellency the Governor for his continued moral support, insightful guidance, and for fostering an enabling environment that made the successful preparation of this budget possible.

Mr. Ahmed Hefow,

Ag. Chief Officer – County Treasury.

Risk to Revenue Collection and Budget Implementation

Natural calamities, particularly frequent flooding, present a significant risk to Busia County's development agenda. These events can disrupt revenue collection and delay or derail the implementation of key programs and projects. In the absence of adequate contingency measures, resources may be diverted from planned initiatives to disaster response efforts, undermining overall budget execution and development outcomes.

Additionally, shortfalls in projected revenue, pose a serious risk to budget implementation. Overestimation of revenue can lead to funding gaps, forcing the County to cut back or stall priority projects mid-year, thereby affecting service delivery and development progress.

Linkages

The budget-making process is a continuous and interconnected cycle that spans formulation, implementation, and evaluation phases. The FY 2025/2026 Budget Estimates for Busia County are aligned with key policy and planning documents, ensuring consistency, transparency, and strategic allocation of resources.

Sign: ..... Date 7th of November, 2025

Firstly, the **Budget Policy Statement (BPS) 2025** provides national fiscal parameters, including equitable share and conditional grant allocations, which guide county-level budgeting. The BPS serves as a policy anchor, justifying resource allocations in the budget estimates to reflect national priorities and fiscal constraints.

Secondly, the budget estimates are directly linked to the **County Integrated Development Plan (CIDP) 2023–2027**, which outlines the county's medium-term development goals. This ensures that the FY 2025/2026 allocations support long-term strategic objectives, providing continuity and coherence in development planning.

In addition, the **Annual Development Plan (ADP) 2025/2026** translates the CIDP into actionable programs for the year. The ADP identifies specific priorities, projects, and initiatives that are reflected in the budget estimates, justifying how annual resources are directed towards impactful development outcomes.

Moreover, the **County Fiscal Strategy Paper (CFSP) 2025/2026**, prepared in accordance with Section 117 of the Public Finance Management (PFM) Act and Regulation 26(4) of the PFM Regulations 2015, sets out the fiscal framework, including departmental expenditure ceilings. These ceilings provide a justified basis for the distribution of resources among departments, promoting fiscal discipline and prudent public spending.

Finally, the **County Budget Review and Outlook Paper (CBROP) 2024** informs the budget by reviewing fiscal performance and setting preliminary ceilings based on revenue trends and expenditure outcomes. This ensures that the FY 2025/2026 Budget Estimates are grounded in realistic assumptions and responsive to the county's fiscal position.

Adherence to fiscal responsibility principles

In line with Article 201 of the constitution 2010 and section 107 of the PFM Act, 2012 the County Government has adhered to the fiscal responsibility principles as outlined below:

I. **The County Government's recurrent expenditure shall not exceed the County Government's total revenue;** The County Government has always prepared and implemented a balanced budget with a maximum of **70 percent** allocated to recurrent expenditure while a minimum of **30 percent** allocated to development expenditure. In the Financial Year 2025-2026 Budget Estimates, the County has projected an allocation of **66 percent** on recurrent expenditure and **34 percent** on development expenditure.

II. **Over the medium term a minimum of thirty percent of the County Government's budget shall be allocated to the development expenditure;** over the medium term the County Government has maintained a minimum of **30 percent** on development budget.

Sign: ..... Date 7th of November, 2025

III. **The County Government's expenditure on wages and benefits for its public officers shall not exceed a percentage of the County government's total revenue as prescribed by the County Executive Member for finance in regulations and approved by the County Assembly;** In line with section 25(1) (b) of the PFM (County Governments) regulations 2015, County Governments are required not to exceed 35 percent of their total revenue on wages and benefits. In the FY 2025/2026 Budget Estimates, the County Government wage bill stands at **41 percent** which is higher than the stipulated **35 percent**. The high wage bill is as a result of the County absorbing and retaining former employees from the defunct local authority as well as recruitment of new technical staff across the departments. Continued implementation of collective bargaining agreements by staff has also resulted in increased wage bill. The County Public Service Board has implemented various mechanisms aimed at addressing the high wage bill which include non-replacement of retired non-technical staff as well as employing staff at entry level job groups which attract lower salaries.

1. Department of Smart Agriculture, Livestock, Fisheries, Blue Economy and Agribusiness

A. Vision

A leading County in food security and sufficiency for sustained livelihoods.

B. Mission

To improve the livelihoods of Busia County residents through the promotion of competitive agriculture, provision of support services while ensuring a sustainable natural resources base.

C. Performance Overview and Rationale Funding.

Brief description of mandate.

In Busia County, 80% of the population live in the rural areas and derive their livelihood from agriculture and related activities. Agriculture sector is the main stay of County's economy, contributing 58% of the county GDP with small scale farming dominating the agricultural economic activities. The overall goal of Agriculture sector is Rural Poverty Reduction and safeguarding of family food and nutrition security. The county aims to reduce poverty levels and improve food security in Busia County by revitalizing the agricultural sector at the ward level. This targets rural households, with a focus on enhancing agricultural productivity, increasing incomes, and facilitating access to essential services such as health, education, and infrastructure.

Strategies for poverty reduction and food security focuses on activities aimed at improving crops, livestock and fisheries to safeguard incomes, and ensure availability and access to quality food. The sector focuses on transformation of agriculture through:

i) Institutional organization of the sector and the development of production and marketing infrastructure to support efficient production sustainably

ii) Facilitation of increased production, productivity and profitability of farming enterprises

iii) Provision of enabling policy and regulatory environment to facilitate agriculture driven economic transformation of the communities.

The sector has prioritized the development of Cotton, edible oils (seed cotton, groundnuts, Sunflower, Sesame, Soybean), Rice, Dairy, Poultry and fish farming to improve rural economy and ensure supply of raw materials to the County aggregation and Industrial Park (CAIP). Food crops like maize, finger millet, beans are also under production mainly for household consumption and nutrition needs.

Major Achievements for FY 2021/2022- FY 2023/2024.

During the period under review, the Department managed to record a myriad of achievements as stated below;

The Smart Agriculture Directorate made significant strides in land use management. It ploughed 1,504 acres of land at a subsidized rate of Ksh. 2,500 per acre, benefiting farmers across the county. The Directorate also distributed essential seeds: 32,719 bags of 2 kg maize seeds for 6,544 acres, 5,962 kg of groundnut seeds, 4,550 kg of soybeans, and 1,500 bags of 50 kg cassava cuttings. Furthermore, 7,480 bags of agricultural lime were provided to neutralize acidic soils and enhance crop yields. To support the development of the industrial park at Nasewa, the Directorate received 5,000 kg of sunflower seeds and 4,585 kg of BT cotton seeds, which were distributed to farmers.

The Veterinary Directorate has awarded a tender to Busia Polytechnic for the renovation and modernization of the County slaughterhouse, aiming to enhance hygiene and ensure that meat consumed in the County is safe. In 2024, 9,700 livestock were vaccinated against Lumpy Skin Disease and Foot and Mouth Disease.

Additionally, the Department has launched a breed improvement program through artificial insemination. This initiative aims to produce climate-resilient, disease-tolerant crossbreeds that can increase milk production five-fold. In the last fiscal year, over 800 cows were inseminated, and this is expected to increase milk production by approximately 5,000 litres.

Efforts to enhance livestock productivity and value addition included the distribution of milk batch pasteurizers and stainless-steel milk cans to dairy cooperatives. The beekeeping sector has also flourished, with 100 beehives distributed to Nangina Ward and plans for two more apiaries in Teso North and Teso Central, each with 250 hives. Additionally, 315 kg of forage seeds were distributed to boost bee nutrition and honey production. To further support livestock feed conservation, 20 acres of fodder were established at KALRO Alupe and Benga University. Feed processing equipment, including shredders, chaff cutters, and silage tubes, were distributed to farmers to help conserve and store feed efficiently.

In fisheries subsector, 459 smallholder fish farmers received 459,000 fingerlings and 95,550 kg of fish feed, resulting in a harvest of 156 tons of fish valued at Ksh.13 million. To support fish farming, 200,000 fingerlings and 7 tons of fish feed were provided for cage farming expected to yield 100 tons of fish annually. In addition, 14 HDPE fish cages have been constructed at Bumbe Beach, expected to produce 176 tons of fish annually, valued at Ksh.52

million. The county is also collaborating with the national government to improve landing sites in Bunyala and Samia Sub-County, with a special focus on the Mulukoba landing site for fish value addition.

Under Agribusiness development, Last-Mile Fertilizer Initiative has seen 11,491 bags of planting fertilizer and 8,137 bags of top-dressing fertilizer distributed, significantly reducing transportation costs and lowering production expenses for farmers.

Notably, under the NAVCDP project, the department managed to map, profile and register 142,484 farming households. 157 cooperative societies across the county were mapped and graded to identity their capacities and gaps. The project has also supported the development of Community Action Plans that shall define Developmental priorities for all wards. Under the Kenya Livestock Commercialization Project (KeLCoP) over 2,000 livestock farming households have been supported by promoting market-oriented farming practices. Notably, KeLCoP is funding the planned upgrade of Nambale Livestock Market, with a Ksh.22 million budget allocated for modernization. This upgrade aims to improve market infrastructure, enhance trade, and increase profitability for livestock farmers in the region.

Constraints and challenges in Budget Implementation,

- Mobility challenges - due to limited number of motor vehicles and motor cycles for field staff, last mile service delivery is delayed
- Data Information gaps - Obsolete ICT equipment in Sub Counties slow data and information processing
- Weak monitoring of Projects- Department doesn't have comprehensive Monitoring and Evaluation Framework for real time monitoring of projects
- Inadequate financial resources and delayed disbursement of funds to support sector's

Lesson Learnt and Recommendations.

- Enact laws and policies that enhance service delivery in mechanization and input subsidy
- Improvement of Data management for the department and sector
- Strengthen monitoring framework for sector activities
- Funding of programs in consideration with the proposed budget to ensure full allocation for projects to completion.
- Facilitate Artificial Insemination subsidy program.

Major Services/Outputs to be provided in the FY 2025/2026-2027/2028 Medium Term Budget.

The major Services/Outputs that the department intends to provide include the following; Mechanization Services, Inputs access to support Industrial Oil and Food Crops, Livestock Breed Improvement services, Credit Access to farmers, Fisheries and Livestock Inputs.

D. Strategic Objectives.

CP 1: General Administration and Support Services.

To facilitate the Coordination of all programs within the department.

CP 2: Crop Development

To increase Crop Production and Productivity under Mechanization.

CP 3: Livestock Development.

To Increase production and productivity of Livestock enterprises

CP 4: Veterinary Development.

To Improve Animal Health and enhance Food safety.

CP 5: Fisheries and Blue Economy Development.

To Promote Fisheries Infrastructure and Aquaculture development.

CP 6: Agribusiness development.

To increase Value-added Agricultural produce.

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 2,939,473,519** For the FY 2025/26, **Ksh. 888,058,462** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 976,864,308** and **Ksh. 1,074,550,739** respectively.

2. Department of Trade, Investment, Industrialization, Cooperatives Small and Micro Enterprise (SME)

A. Vision

A leading department in the promotion of Trade, Cooperative Development and investment

B. Mission

To foster inclusive and sustainable socio-economic development through promoting investment in trade, entrepreneurship, innovation, value addition and cooperative development.

C. Performance Overview and Rationale for Funding

To efficiently and effectively deliver its services, the department has six directorates namely: Trade, Cooperatives, Cooperative Enterprise Development Fund, Industry, Alcoholic drinks and drugs control and Cooperative Audit

The department is mandated to promote trade, investment and Industrialization as well as creating an enabling environment that promotes cooperative development and fair-trade practices as well as alcoholic drinks and drugs control.

The overall objective of the directorate of trade is to promote self-reliance amongst the citizens of Busia County, enhancement of business, job and wealth creation through diversification, innovation, value addition, market linkages and trade infrastructural development.

Through the directorate of trade, the department oversees and promotes cross-border trade through cross-border committees that were formed after establishment of Cross Border Traders Association. This ensures seamless movement of goods and services across the international border and across inter -county borders. It provides traders with requisite trade information to facilitate business networks.

Expenditure Trends FY2021/2022-2023/2024

In FY 2021/2022- FY 2023/2024, the department was allocated a total of Kshs.301.4 million and spent Kshs.146.4 million, representing an absorption rate of 49%. The department's expenditure for FY2021/2022 was Kshs.132.4 million against 318.9 million, representing an absorption rate of 41%. In the FY2022/2023, the department spent Kshs.123.8 million against a target of Kshs.224.5 million, representing an absorption rate of 55%.

Major Achievements for FY 2021/2022-2023/2024

Sign: ..... Date 7th of November, 2025

Construction of County Aggregation Parks (CAIP) at a cost of Ksh. 500,000,000 (CGB contributing Ksh. 250 million and National Government matching it with Ksh. 250 million). The CAIP will spur economic growth and investment attraction, create jobs and also boost Agriculture and Agro-processing across the county.

Construction of 8 markets which includes Adung'osi, Murumba, Bukhalalire, Angurai, Tangakona, Apegei (phase 1). Also, through the Economic stimulus plan, Bumala, Mungatsi, Korinda, Angurai, and Aroma markets have been handed over for construction. The construction of this markets has improved trade promotion and also contributed to economic growth.

Renovation of seven markets which are Busia Main market, Soko Posta, Bulemia, Chengo, Matayos Auction Ring, Mayenje, and Bukhuyi. Renovation of the markets has been a key step towards ensuring that all the traders use hygiene pleasant facilities.

There were also significant improvements in the creation of a vibrant and sustainable cooperative movement. The improvement was influenced by the development of 25 Cooperative Societies in F/Y (2020/2021), 30 Cooperative Societies in F/Y (2021/2022) and 50 Cooperatives Societies in F/Y (2022/2023).

Further to the development of cooperatives, the directorate of cooperative audit performed 22 Cooperative audits in F/Y (2021/2022) and 12 Cooperative audits in F/Y (2022/2023 an activity that has helped to improve the compliance of the cooperatives to the set financial requirements.

There was improvement in consumer protection through improved fair-trade practices. Increased consumer protection was enhanced due to improvement in the number of legal metrology equipment examined, tested and verified (FY 2020/2021) 1,807, (FY2021/2022) 674 and (FY2022/2023) 1,550.

Major Services/Outputs to be provided in the FY2025/2026-2027/2028

During the 2025/2026 financial year, the department will implement programmes targeting co-operative growth, trade enhancement, industrialization, fair trade practices, alcoholic drinks and drugs abuse control and support to Micro Small and Medium Enterprises (MSMES).

The directorate is supporting micro, small and medium enterprises by giving them loans through the Trade Development Revolving Fund. The traders are also trained and equipped with enterprise management skills.

Through the Co-operative Enterprise Development Fund, Co-operative institutions continue to

receive financing that revolve in more than 100 cooperative societies in the County.

The directorate of cooperatives continues to promote new cooperatives and to strengthen them through education and training of cooperative leaders, staff and members.

The Weight and Measures Unit ensures that verification of weighing machines in business premises has been done so as to meet the customer satisfaction in terms of quantity and quality of goods or produce being sold to them.

Further, the department will continue to spearhead construction of markets and market stalls across the county in addition to strengthening capacity of co-operatives. To effectively discharge its mandate, the department intends to upscale loans to cooperatives by increasing funding through the Co-operative Enterprise Development Fund through which registered cooperatives can access credit facilities

Output Linked to CIDP/ADP/CFSP

Key outputs that have been identified on CIDP are MSME loans, grants, and revolving funds disbursed, Markets established, Modern Ablution Blocks constructed, Boda-Boda sheds constructed, Cotton value added, Rice value added, milk value added, and Cooperative enterprise Development Fund Upscaled. On ADP, these outputs have been directly replicated in FY 2025/2026. Further we have linked all the outputs from CIDP and ADP to the CFSP.

3. Department of Education and Industrial Skills Development

A. Vision

A quality education and training for all to transform Busia into an intelligent County in the front line of global progress and innovation.

B. Mission

The department's mission is to provide accessible, holistic and quality education and training to all, for the socioeconomic and sustainable development of Busia County.

C. Performance Overview and Rationale Funding

Sector Overview and Background Information

The county Sector of education and vocational training comprises of two sub-sectors; Early Childhood Development education (ECDE) and Vocational Training and Skills Development.

The department through the two directorates implemented the following programs and sub programs in the FY 2024/2025.

Key achievements

i. ECDE

a) Rolled out digital learning in all the 461 ECDE Centres. Each school received two digital devices for PP1 and PP2
b) Distributed ECDE furniture (301 tables and 311 chairs) to 10 ECDE centres
c) Provided school meals to all the 461 public ECDE centres across the county
d) Evaluation for ECDE projects, now in the process of signing the contracts

ii. Vocational & Skills Development

Key achievements

a) KCB 2jiajiri programme.
First cohort of 513 youths have been trained, gone for attachment, completed exams and are awaiting graduation.

The programme was co funded by The KCB Foundation and The County Government on a 1:1 ratio at a total cost of 35M

b) Equipped VTC`s with sports equipment in support of co-curricular activities.
c) Initiated the construction of 6 sanitation blocks at Katakwa, Nambale, Dirakho, Okisimo, Bukoma and Buburi at a total cost of 2.4M to be completed by the end of the financial year

Sign: ..... Date 7th of November, 2025

d) The directorate initiated the process of completing Amagoro VTC, Construction of administration block at Osuret and Khayo VTC`s phase one. The projects are expected to be completed by the end of the financial year.

Challenges

a) Untimely disbursement of funds
b) Inadequate budgetary allocation (Projects, school meals etc.)
c) Late disbursement of capitation to VTCs.
d) An overstretched staff establishment in the VTCs. There's a deficit of 69 instructors within the institutions.
e) Stagnation of staff in job groups for over 10 years
f) Declining of enrolment of trainees in VTCs due to inadequate training material and instructors

Way forward

a) Enhance budgetary allocation to ensure sustainability of school meals and nutrition program
b) Need to sensitize stakeholders on automation of Education support scheme to ensure successful implementation of the program
c) Disbursement of capitation to support functions of VTC`s as anchored in The Fourth Schedule of the Constitution.
d) Employment of instructors in VTCs to fill the vacancies created by the outgoing staff.
e) Promotion of staff.
f) Increase budgetary allocations for development projects to ensure VTCs have enough workshops

4. The County Treasury and Economic Planning

A. Vision

A prosperous County committed to prudent financial management, economic planning and technological innovations

B. Mission

To provide high quality financial, economic and advisory services through efficient and effective fiscal planning, resource mobilization, budget administration, coordination, formulation and implementation of policies and programs for accelerated, equitable and sustainable development for the citizens of Busia County through technological innovations

C. Performance Overview and Rationale for Funding

The department comprises of two sections each headed by a Chief officer; County Treasury and Economic Planning. The County Treasury Section consists of four directorates namely Accounting Services, Supply Chain management, Revenue and Budget while Economic planning section consists of Economic Planning, County Bureau of Statistics, Internal Audit and Monitoring and Evaluation.

The County Treasury section consists of Directorate of Budget whose role is preparation of County budget and planning documents, Directorate of Accounting Services mandated to undertake payments and preparation of financial and non-financial reports, Directorate of Revenue is responsible for collection of own- source local revenue, Directorate of Internal Audit which is responsible for carrying out audits of the County projects to ensure value for money is realized and Directorate of Supply Chain Management which undertakes procurement of goods and services for various County entities. Economic Planning section consists of Directorate of Monitoring and Evaluation responsible for continuous monitoring of County projects during the implementation phase as well as end term evaluation to assess the impact of projects, Directorate of County Bureau of Statistics responsible for coordinating development, production and dissemination of statistics emanating from the various departments and agencies of the County Government and Economic Planning Directorate that prepares development plans, provide advice on planning and economic policy issues to the executive and undertaking economic analysis among others.

Sign: ..... Date 7th of November, 2025

The department is accountable for the financial management of the County Treasury. Its key functions are; revenue collection and Management; planning and budgeting, appropriate procurement of goods and Services, formulation and promotion of County fiscal and economic policies.

Departmental key performance

i. Key achievements

- Budgeting and planning were timely done, which aided in the implementation of county priority programmes and projects across various departments. Additionally, technical support, advice and guidance on fiscal and budgetary matters were given to all stakeholders in the County.
- The directorate of Supply chain management enhanced adoption and implementation of e-procurement as a method of procuring goods and services in line with the Public Procurement and Asset Disposal Act, 2015.
- The Accounting services directorate through its mandate ensured proper control and accounting for receipt and expenditure of public funds which was achieved through development of financial policies and procedures, administration of applicable legislation, timely preparation of financial statements and financial & non-financial reports.
- The directorate of Economic planning effectively discharged its mandate in formulation, coordination of implementation, monitoring and evaluation of economic development plans, policies and strategies geared towards achieving county development agenda. The directorate spearheaded preparation of Annual Development Plan. Moreover, through the M&E unit, monitoring and evaluation of county projects and partial operationalization of the e-CIMES was undertaken.
- The department established a statistical unit
- The department strictly complied with the Public Finance Management Act and other legal financial Acts and regulations.

ii. Challenges.

- Data obtained from the department is not always adequate and sometimes not verifiable hence the need to come up with a framework for the County government to collaborate and partner with KNBS in conducting surveys

Sign: ..... Date 7th of November, 2025

- Inadequate infrastructure to harness and maximize revenue generation from various streams. Furthermore, there is limited infrastructure for full automation of all revenue sources.
- Inadequate capacity building and training for the staff to meet the changing dynamics of operations.
- Lack of audit management tools; Essential audit management software

iii. Way forward

- The department to establish a data Center
- The department to establish ERP system to automate County services and processes

i. Outputs and linkage to CFSP/ADP/CIDP

The department's Programmes are aligned to the CIDP 2022-2027, ADP 2024, CBROP 2024 and CFSP 2025 with the prospects of providing high quality services to the Citizens and advocating for prudency and accountability in the utilization of public resources.

D. Strategic Objectives

5. Department of Youth, Sports, Culture, Gender, Creative Arts and Social Services

A. Vision

A socially self-driven and empowered community.

B. Mission

To mobilize the Busia Community for sustainable social protection, talent nurturing, heritage preservation and creating equal opportunities for children, youth, women, PLWDs, Older Persons and other vulnerable groups for holistic growth and development.

C. Performance Overview and Rationale for Funding

- **Brief Description of Mandate**

  The department is comprised of five directorates namely; Sports, Youth Affairs, Tourism, Gender, Culture and Social Services. The department is mandated to mobilize the communities in Busia County for sustainable social protection, talent nurturing and creating equal opportunity for Youth, Women, PWDs, Older Persons and other vulnerable groups for holistic growth and development.

- **Expenditure Trends FY 2021/2022-2023/2024**

  In the FY 2021/2022 the department was allocated Kshs.217.2Million against expenditure of Kshs.117.3Million, representing an absorption rate of 54%. The department's allocation for FY 2022/2023 was Kshs. 178 million against expenditure amount of Kshs.103.8Million, representing an absorption rate of 58%

- **Key Achievements**

  Kenya Inter-County Sports and Cultural Association (KICOSCA) Participation:

Sign: ..... Date 7th of November, 2025

The department proudly participated in the KICOSCA games, where the Men's and Ladies' Tag of War teams emerged champions, Scrabble team finished second and lastly Ajua team secured third place, reflecting the department's growing talent across a range of disciplines.

Celebration of International Days:

The department successfully organized and celebrated International Youth Day, Mashujaa Day and Jamhuri Day, with a focus on promoting youth engagement, patriotism, and national unity through various events and activities.

County Cultural Activities:

Hosted a memorable County Cultural Festival, bringing together diverse cultures from all seven sub-counties, offering a unique platform to celebrate and promote Busia's rich cultural heritage.

The Directorate of Youth conducted a Youth Talent Search, identifying and nurturing emerging talent across various fields.

Ward Sporting Activities and Governors Cup:

The Directorate of Sports organized a successful ward-level sporting events, engaging communities and fostering healthy competition. Winners from these events went on to compete in the inaugural Governors Cup, a countywide tournament that spotlighted exceptional athletic talent.

Completion of Bumbe Cultural Centre:

Achieved the successful completion of the Bumbe Cultural Centre, creating a vibrant space for cultural exchange, community events, and tourism development.

Miss Tourism Beauty Pageant Competition:

The department hosted the Miss Tourism Beauty Pageant, which saw contestants from across the County compete for the title of Busia County Tourism Ambassador, celebrating the County's beauty and promoting tourism.

Annual Boat Racing Competitions:

Successfully executed the annual boat racing competitions at Marenga and Bumbe Beaches. The events attracted a significant number of tourists, enhancing the local tourism experience and generating greater interest in Busia's Lake tourism.

Stakeholder Engagement in Business Tourism:

Formed a strategic partnership with Kenyatta International Convention Centre (KICC) to promote business tourism in Busia County, focusing on Meetings, Conferences, Events, and Exhibitions (MICE). This collaboration aims to enhance Busia's visibility as a premier destination for business and corporate events.

Challenges and Way forward

Challenges	Way Forward
The department's budget ceiling is significantly lower than its actual needs, particularly considering the broad community-based programs it manages. This budget shortfall limits the department's ability to implement key programs and fully achieve its mandate.	The County Treasury should increase in the department's budget ceiling to better align financial resources with the department's actual needs. This will ensure the department has adequate funding to implement its key programs and achieve its mandate effectively.
Delays in the disbursement of funds from the National Treasury have hindered the timely implementation of key programs, causing disruptions and delays in project execution.	Advocate for the timely release of funds by enhancing communication and collaboration with the National Treasury. Explore local revenue generation avenues to reduce dependency on national government funds and mitigate financial delays.
Prolonged procurement processes have led to delays in the implementation of programmed activities, affecting the department's overall performance.	Improve the efficiency of procurement processes by providing additional training for staff and exploring fast-track procurement procedures for time-sensitive activities.
Service providers have become reluctant to offer services due to long-standing pending bills, leading to delays in executing programs and services.	Prioritize the clearance of pending bills to maintain good relations with service providers and ensure continued collaboration.

6. Department of Transport, Roads and Public Works

A. VISION

To develop quality, reliable, sustainable, and resilient infrastructure and provide access to safe affordable public transport systems.

B. MISSION

To expand public transport and build infrastructure with special attention to the needs of women, children and people with disability through the production of appropriate designs and increase investment.

C. Performance Overview and Rationale for Funding

The department is made up of three directorates namely: Transport, Roads, and Public Works. Its mandate is to provide an enabling environment for investment in the county and sustain standard road networks and public infrastructure. Further, the department gives technical and supervisory assistance to other departments in project implementation. The priority focus of the department is the development and maintenance of county road infrastructure, road safety campaigns, building works, and public transport and safety.

Expenditure Trends FY 2020/2021-2023/2024

In the year 2021/2022, the department was allocated 1.225 billion and only managed to spend 489 million which constituted 40% of the total allocation. In the year 2022/2023 the department was allocated 566 million and managed to absorb 454 million which translates to an absorption rate of 80%.

In the FY 2023/2024 the total allocation was 772 million, and 687 million was absorbed translating to 89% as indicated in the County Budget Review Outlook Paper (CBROP).

Key achievements

- **In the year 2021/2022,** approximately 70 km of new roads were opened under the machine hire arrangement including Musoma – River Sio Road, Michael Ogweno Road, Mulukoba – Police line road, Bumadeya – Mulusenye road, Mukhobola – Bubongo road and Khakati – Dyke roads. 42.25 km of earth roads were maintained through the in-house Programme. The roads done include; Kodurkoit road, Kocholia hospital road, railways-Komolo road, Mlango

kumi -Bukesa road, Tanaka bump- Samaki Estate Road, St Teresa Pri – Bulanda junction roads among others.

- The department oversaw the construction of Busia bus park to completion.
- The directorate of public works commenced the process of reconstructing Sidokho timber foot bridge in Bunyala South ward, and Bubamba timber foot bridge in Bunyala central ward. The department also commenced construction of seven road access culverts in Matayos and Teso South sub-counties.
- **In the year 2022/2023,** the department reconstructed Bubamba Timber Culvert and Sidokho timber culvert. Access culverts within Busia Municipality were constructed too. The Agricultural Mechanization Unit at Bumala was Fenced and graded. 130.7 kms of roads were graded and gravelled. Among these roads include Shepe – Okatikok road, Oshia market road, Ndekewe – Sidokho road, Abiri road, Mzee Emuria road, Muruka -Mung'abo road, Odekure – Koteko road and Kholokhongo road among others.
- **In the year 2023/2024**, the directorate of roads managed to upgrade the following roads to bitumen standards to facilitate all weather access to key areas of socio-economic importance; Adungosi police station Road 0.78 km, Khunyangu hospital access road 0.628 km, Lukolis Market access road 0.16 km, Nambale market access road 0.46 km giving a total of 2.028 km and Kocholia Market access road 0.30 km to cabro standards.
- Under machine hire and routine maintenance programme; the directorate maintained approximately 173 km of roads to gravel standards and installation of pipe culverts across the 35 wards. 100 0f these were implemented using the county owned machines.
- Under the directorate of public works, A total of 170 projects from various client departments were documented. Out of these, approximately 40% were successfully tendered and are in the implementation phase. The major projects documented include: Construction of county aggregation industrial park, proposed construction of the export processing zone at Nasewa, construction of designated parking slots in Busia municipality, construction of Economic stimulus programme markets in Busia County, Phase II construction of mother and child hospital at Alupe.
- A total of 12 box culverts were initiated; 3 of which are complete, namely Musirira box culvert, Kabura box culvert and access culverts within Busia municipality. A building material testing laboratory is being constructed. This is a game changer as residents of Busia will be saved the hustle of traveling to Bungoma or Kisumu. This will also generate revenue for the county of

Busia as neighbouring counties like Siaya will be served here. A major storm water management system was developed within Busia town.

The challenges encountered by the department include;

- Sand harvesting along roadsides leading to undermining of roads and drainage structures e.g., culverts leading to severe destruction of roads by surface runoff and expensive remedial works.
- Inadequate supervision vehicles to enable engineers to go to the field. There are only two for the Department.
- Cumulated pending bills that cause intermittent fuel supply from suppliers leading to dragging of implementation of the works planned.
- Lack of axle load control (weighbridge) on county roads leading to overloading especially by cane, and building materials transporters leading to premature failure of gravel roads.
- Machines susceptible to breakdown due to wear and tear. The aging fleet equipment leads to high operating costs that require enhanced budgetary allocation without a revolving fund.

Way forward

- Sensitizing residents to avoid sand harvesting along roadsides and on drainage structures.
- Prioritize purchase of supervision vehicles for the field engineers to monitor projects effectively.
- Devise ways to clear pending bills to attract suppliers to offer goods and services continuously.
- Purchase and installation of weighbridge on county roads to control overload that destroy road infrastructure.
- There is need to equip mechanical workshop to offer repair and maintenance of all county vehicles and machines.

The key priority areas in the medium term will be;

- Routine Maintenance of County Roads
- Upgrading of County Roads to Bitumen standards
- Construction of minor and major drainage (Bridges & Box Culverts) Countywide.
- Emergency roads and public works, road and water safety campaign programme, construction and equipping of material laboratory
- Maintenance of County machinery and equipment

Major services /outputs to be provided in the FY 2025/2026 – 2027/2028 MTEF and link to CIDP, ADP and CFSP

i. Key Outputs

- County Road Infrastructure Improvement
- Upgrading of roads to bitumen standard
- Road drainage network construction
- Construction of bridges and box culverts

ii. Linkage with CIDP, ADP and CFSP

The programmes to be funded in the budget estimates 2025/2026 are drawn from the CIDP 2023-2027 and ADP 2024 and adheres to the ceilings set in the CFSP 2025/2026.

D. Strategic Objectives

CP 21: General administration support services

To facilitate the coordination of programs within the department

CP 22: Road Network

To have safe, accessible, affordable, and sustainable transport for all

CP 23: Alternative Transport Infrastructure Development

To connect Busia County to other counties and the country by alternative forms of transport

CP 24: Building Infrastructure Development

To improve the working environment and enhance standards for roads and building works

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 2,841,086,043.** For the FY 2025/26, **Ksh. 949,300,764** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 900,850,133** and **Ksh. 990,935,146** respectively.

7. Department of Public Service Management

A. Vision

To be a benchmark for high performing, dynamic and ethical public service.

B. Mission

To facilitate a safe environment for an effective and productive work force that guarantees personal growth and sustainable development.

C. Performance overview and Rationale for funding

The Department of Public Service Management is composed of three sections namely; Human Resource, Security & Enforcement and Public Administration & Communication. In discharging its functions, the department liaises with the County Public Service Board in coordinating Human Resource and Records management functions.

The Department is charged with ensuring effort utilization and maximum development of human resource to embrace modern delivery, creating a harmonious working relationship between Management and employees, ensuring conformity to the relevant laws and regulations, streamlining and automating records management system, and ensuring effective administrative services.

Sign: ..... Date 7th of November, 2025

The strategic goals, plans and objectives of development are to provide a conducive environment for effective and efficient workforce when embracing modern technology for delivery of quality service.

Mandate

The Mandate of the Department as per the Executive order No.1 of 2023 is to undertake the following: -

i. Human Resource management and Development

ii. Records Management

iii. Staff Performance Management

iv. Training and Capacity Building

v. Organizational Design and Development.

vi. Industrial relations.

vii. Staff Benefits and Welfare Schemes.

viii. Guidance and Counselling HIV and AIDs.

ix. Employee relationship.

x. Promotion of Staff Cohesion.

xi. Staff Payroll Management

Key Achievements

• Ensured adherence to HR policies and law

• Revamping of performance contracting

• Staff training on alcohol, drug and substance abuse

• Pre- retirement training

• Management of staff pension

• Promotion of staff cohesion, by ensuring fair Labour practices.

• Ensured staff do not earn below a third of their basic salaries

Sign: ..... Date 7th of November, 2025

• Facilitated staff with disabilities to obtain tax exemption certificates.

• Sensitized staff on proper records management

• Reduction in salary payments outside the IPPD

Challenges in Budget Implementation

• Inadequate working space for staff

• Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.

• Insufficient workforce hence limiting the performance output per staff as most staff are overworked.

• Mobility challenges- lack of motor vehicles and motor cycles for supervision

Lessons Learnt

• Need for early planning.

• Need for adequate Budgetary allocation.

Way Forward

- Collaborating with non-state actors is effective in resource mobilization
- Continuous consultation between elected and administrators is key in-service delivery
- Timely disbursement of funds to departments to ensure programs run as per the timelines.
- Prudent use of allocated resources.
- Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.
- Construction of all Sub County Headquarters that can accommodate all County at the Sub County Level.
- Construction of model ward offices to avoid renting expenses
- Purchase one vehicle per Sub-County and motor bikes for wards and village administrators.
- Provide adequate budget for office operations and capacity building

Sign: ..... Date 7th of November, 2025

- Recruitment of casual support staff to assist village administrators.

D. Strategic Objectives

CP 26: General Administration and support services

To increase efficiency and effectiveness in public service delivery

CP: Devolution Support

8. Department of Lands, Housing and Urban Development

A. Vision

An excellent Department in land and urban management and in the provision of affordable and quality housing for sustainable development.

B. Mission

To facilitate improvement of livelihood of Kenyans through efficient administration, equitable access, secure tenure, suitable management of land resources and access to adequate housing.

C. Performance Overview and Rationale Funding

Sign: ..... Date 7th of November, 2025

The sector is composed of directorates of Lands; Survey; Physical planning; Housing and Urban development and the two municipalities-Busia and Malaba. Both directorates of Lands and Survey deal with management of public land, surveying all public lands and dispute resolution along the boundaries. Physical planning deals with preparation of land use plans and development controls.

The housing directorate provides management and maintenance services of government houses in terms of renovation and refurbishment, giving technical advisory services in county government offices and training members in Appropriate Building Materials and Technology. Urban development does facilitate sustainable development in urban areas. The two Municipality oversee functions within their jurisdiction and undertake other functions as may be delegated by the County government as enshrined in urban areas and cities Act.

1.1 Expenditure Trends-Approved Budget Against the Actual Expenditure for The Fy 2021/2022- 2022/2023.

Financial Year	Approved Budget (Kshs)	Actual Expenditure (Kshs)	Absorption (%)
2021/2022	486,065,715	145,398,677	30%
2022/2023	459,123,246	259,443,656	57%

1.2. Major Achievements for Fy 2021/2022-2023/2024 Budget

In FY 2021/2022, the department made various achievements through its directorates. The department managed to purchase fifty-seven point seven five (57.75) acres of land in various wards for different ward development projects, ranging from dispensaries, ECD schools, polytechnics, milk parks, markets and water projects; Okoa market, Elukhari dispensary, Onyunyur VTC, Nasira Dispensary, Mujuru water project, kajoro Apokor Secondary school, kiriko market, Simuli Secondary school, Cultural centre, Bujwang'a market and Agogom polytechnic. In order to secure these parcels of land and others purchased in the previous financial years, the department is finalizing the registration of the parcels of land. Furthermore, the department has continued to secure Government land through installing posters indicating ''Government land'' for various projects which it has done on Musoma public land in Kingandole ward and surveying of the Government land to protect them from encroachment by the public.

Infrastructural Development is key in growth of the urban centres and towns. During FY 2021/2022, the department installed solar mass lights at Maduwa and Siekunya in Nambale Township ward, initiated construction works of trailer parks at Mundika and Malaba in and completed the construction of bus Park in Malaba town. This in turn will help ease traffic in urban areas as well as increase the own source revenue for the County.

In the financial year 2022/2023, the department through Busia Municipality completed upgrading of Alupe Complex Ring Road to bitumen standards boosting economic growth and infrastructural connectivity within Alupe surroundings.

In the plan period 2023/2024, the department established a GIS lab funded by Food and Agriculture Organization (FAO). The department also initiated the development of County Spatial Plan with technical assistance from the State department of Physical Planning. Phase one (1) and Phase two (2) of the processes have been completed. The department initiated and continues to lay cabros within Busia Municipality with the aim of beautifying the town as well as increasing revenue collection through parking fees. Additionally, the department is in the final stages of establishment of development and establishment of green park.

Challenges

- Budget cuts due to changes in priority
- Delay in disbursement of funds.

Way Forward

There is a need for:

- Strict adherence to the set priority from the onset of budget cycle
- Strengthening departmental monitoring and evaluation.
- Sensitize the contractors on timely access to online procurement

D. Strategic Objectives

CP 27: General Administration and support services

To provide an effective and efficient logistical support system to improve delivery service.

CP 28: Physical Planning and Land Use Management

Sign: ..... Date 7th of November, 2025

To have sustainable land use within the county.

CP 29: Urban Management Services

To facilitate sustainable development of urban areas

CP 30: Housing Development and Management

To provide adequate, affordable, and quality houses and offices for county staff and county residents in collaboration with the National Government.

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 1,944,760,051.** For the FY 2025/26, **Ksh. 587,540,801** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 646,294,881** and **Ksh. 710,924,369** respectively.

9. Department of Water, Environment, Irrigation, Natural Resources and Climate Change

A. Vision

Reliable access to clean, safe water and energy, secure environment for sustainable development.

B. Mission

To ensure sustainable management of water, environment, irrigation, natural resources and energy, fostering resilience against climate change and securing a prosperous future for all.

C. Performance Overview and Rationale Funding

Mandate

The Department is headed by a County Executive Member, two Chief Officers and six directorates namely Water, Irrigation, Environment, Natural Resources, Climate Change and Energy and is mandated to ensure that the people of Busia County are provided with desired service levels in water provision under secure and sustainable environment.

To achieve its mandate, the Department is working to enhance its operations beyond pure infrastructure investment requirements and introduce interventions for ensuring that the infrastructure addresses challenges of professional service delivery, sustainable operation and maintenance, adequate access to services and protected water catchment zones conservation and management.

Major Achievements

Water infrastructure projects for financial year 2023/2024 entailed; development of 990m3 water storage facilities in both urban and rural settlement, 15Km of water Pipeline extension, acquisition of 324 water meters, solarization of 11 water systems, development of 6 water points and maintenance of 150 water systems to enhance functionality. Similarly, twenty water projects are still ongoing. Once all projects are complete, it is estimated that the water sources will serve approximately 17,840 households hence improving access to good quality drinking

water. In addition, the directorate of water also developed the County water and sanitation policy to address challenges facing the management of water resources.

The directorate of Irrigation oversaw the rehabilitation of Ludacho small holder irrigation scheme and establishment of a demo Irrigation scheme at ATC which is 80% complete. Additionally, the directorate has developed draft irrigation policy which aims to address legal challenges relating to irrigation and land reclamation services.

To mitigate and adapt to effects of Climate Change, the directorate of Climate Change developed County Climate Change Action Plan which highlights Climate risks and hazards and provision of possible actions across all sectors which are heavily impacted. For early gains under development component, the directorate has installed two lightening arrestors at Luchululo and Mungatsi Primary schools to mitigate risks of lightening which has been prone in the mapped areas. Furthermore, 15 FLLOCA projects across five sectors have undergone stakeholder engagement and Environmental and Social safeguards screening and currently ongoing.

Challenges

1. Destruction of water/ sewer pipelines by road contractors,
2. Weak collaboration between the revenue officers and SCWOS
3. Inadequate water storage infrastructure and distribution network,
4. Vandalism of street /mass lights infrastructure
5. Delay in disbursement of electrification funds to REREC for implementation of projects.
6. Lack of developed regulation / policy to facilitate licensing of different energy services
7. Insufficient funding for Irrigation Projects /repair of breached dams and water pans.
8. Increased excavation of sand on farm land is causing a lot of degradation of Farm land

Way forward

1. Continuous sensitization of road contractors on their obligations as far as damage to water infrastructure is concerned
2. Development of energy policy /regulation/finance Act.
3. Installation of integrated lighting systems with tracking capabilities to curb vandalism
4. To facilitate licensing of energy services.

5. To provide funds for irrigation projects.
6. Continuous sensitization of community members land conservation measures encourages formation of working groups
7. Mapping of county's Natural resources

D. Strategic Objectives

CP 31: General Administration and support services

To facilitate the coordination of programs within the department

CP 32: Water Supply Services

To increase access to clean and safe water

CP 33: Environmental Conservation and Management

To improve environmental and conservation and management

CP 34: Natural Resource Management

To enhance natural resource management.

CP 35: Climate Change Mitigation and Adaptation

To strengthen climate change resilient

CP 36: Energy development

To increase share of renewable energy in total consumption

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 3,223,329,412.** For the FY 2025/26, **Ksh. 973,815,532** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 1,071,197,086** and **Ksh. 1,178,316,794** respectively.

10. Department of Health Services and Sanitation

A. Vision

A healthy, productive and internationally competitive County.

B. Mission

To build a progressive, sustainable, technologically driven, evidence based, and client centered health system with the highest attainable standards of health at all levels of care in Busia County.

C. Performance Overview and Rationale Funding

The department implements its mandate under three programmes namely;

Curative and Rehabilitative Health Services mandated with Provision of Primary Health care, provision of clinical services, management of health facilities and pharmacies, diagnostic services including radiology and laboratory services, provision of nursing services, provision of rehabilitative services among others.

Preventive and Promotive Health Services: That includes at least: education concerning prevailing health problems and the methods of preventing and controlling them; promotion of food supply and proper nutrition; an adequate supply of safe water and basic sanitation;

Sign: ..... Date 7th of November, 2025

maternal and child health care, including family planning; Immunization against the major infectious diseases; prevention and control of locally endemic diseases; appropriate treatment of common diseases and injuries; and provision of essential drugs.

Appropriation In Aid / Busia Health Facility Improvement Financing (BHFIF)

Following the approval and adoption of FIF Act 2024, the health facilities started retaining all the revenue collected. By the Act, the facilities became spending and procurement entities and thus, are required to prepare informed budgets and implement programmes from their respective revenues. FIF is supposed to supplement Exchequer releases. Busia County has 92 functional government health facilities across the County as shown below;

Busia County Government Health Facilities	
Category of facility	Number
GOK Level V Hospital	1
GOK Level IV Hospital	12
GOK Level III Facilities	15
GOK Level II Facilities	64
Total	92

Administrative and Support services mandated with overall leadership, governance, supervision of the department; Strengthening HRH management and development and implementation of County level policies, legal frameworks/regulations, Manuals and SOPs to support healthcare delivery that ensures access to health services by all residents; improving quality of services and ensuring affordability of health services among others.

Major Achievements

Infrastructure Development;

The completed projects are:

- Equipping and operationalization of Amukura level IV Hospital modern block;
- Equipping and operationalization of X-Ray Units at Port Victoria and Nambale Hospitals;

Sign: ..... Date 7th of November, 2025

- Completion of a 24- bed capacity at Budalang'i Health Centre;
- Completion of a female ward at Matayos Hospital;
- Completion of Malanga laboratory;
- Completion of Osieko Laboratory;
- Completion of Igara Maternity;
- Completion Maternity Block at Ang'urai hospital
- Completion of Namuduru laboratory;
- Equipping and operationalization of theatres at Nambale and Sio Port Hospitals;
- Supply and Installation of 200 KVA standby generators at Amukura, Khunyangu, BCRH and Nambale Sub County Hospitals.

Hospital Equipment:

The Department was able to procure and deliver;

- 2 Eye care Tonometer for Khunyangu and Teso North Hospitals,
- 2 Ultrasound Machines for Bumala B Hospital and Malaba Health Centre,
- 10 Olympus Microscopes for BCRH and Alupe Hospitals,
- 9 Chemistry ,10 Diaspect and 17 Centrifuge diagnostic machine for Health Facilities across the county.

Role of the Partners; The Department has received a lot support from Partners for various health programs. The Partners include Dumisha Afya, Ampath Population Health, Fred Hollows, CEDC, KMET, PROPEL Amref, USAID4TheChild, Nutrition International. Living Goods, Unicef, WHO, Red Cross, KEMRI, Med Insure and CWO Orthopaedic Surgeons among others.

Challenges and Constraint

Some of the challenges faced by the department include;

i. Shortage of healthcare workers across all cadres.
ii. Delays in release of funds from the exchequer negatively impacted the ability of the Department in meeting its development aspirations;
iii. Inadequate budgetary allocation towards health sector especially for Operation and Maintenance and projects has led to stalled and non -operationalized health projects and programmes;
iv. A delay among vendor's delay to take over sites after evaluation and awarding leading to delay in completion of development projects.

Way Forward

To address the above challenges, the following interventions are proposed;

Sign: ..... Date 7th of November, 2025

i. Align staffing needs and employment of more healthcare workers to replace those who have exited services for one reason or the other.
ii. Development of stakeholder engagement framework facilitates resource mobilization;
iii. Collaboration with the National Government for timely release of funds from the exchequer is key for efficient implementation of the planned programs;
iv. Enhance the Departmental budgetary allocation.
v. A multisectoral approach is essential for successful implementation of projects and programmes;

D. Strategic Objectives

CP 37: General Administration and support services

To enhance administration and support services for the health sector

CP 38: Curative and Rehabilitative Services

To Increase Access to Quality Curative and Rehabilitative Services

- **Link to Health Strategic Plan:**

i. Focuses on strengthening healthcare infrastructure, ensuring availability of essential medical services, and reducing morbidity/mortality through timely treatment.
ii. Aligns with goals to improve tertiary care and specialized services (e.g., surgeries, chronic disease management).

- **Link to Vision 2030:**

i. Supports the vision of a "healthy population" by addressing non-communicable diseases (NCDs) and injuries, ensuring rehabilitation services to restore productivity.
ii. Contributes to Sustainable Development Goal (SDG) 3.8 (universal health coverage) by reducing financial barriers to curative care.

CP 39: Preventive and Promotive Health Service

To increase access to preventive and promotive health services

- **Link to Health Strategic Plan:**

i. Prioritizes primary healthcare (PHC) to reduce disease burden through vaccinations, health education, and screenings.
ii. Aligns with strategies for maternal/child health, infectious disease control (e.g., HIV, malaria), and lifestyle disease prevention.

- **Link to Vision 2030:**

i. Directly ties to preventive healthcare targets under SDG 3 (e.g., reducing maternal/child mortality, epidemics).

Sign:..... Date 7th of November, 2025

ii. Promotes community health empowerment, aligning with long-term economic productivity goals by reducing preventable illnesses.

- **Link to Health Strategic Plan:**

i. Strengthens governance, health information systems, and logistics (e.g., drug supply chains, workforce training).

ii. Ensures efficient resource allocation and policy implementation across all health programmes.

- **Link to Vision 2030:**

i. Supports institutional capacity-building for sustainable health systems, critical for achieving all health-related SDGs.

ii. Aligns with digital transformation goals (e.g., e-health records) and equitable service delivery nationwide.

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 9,601,286,191.** For the FY 2025/26, **Ksh. 2,900,690,692** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 3,190,759,761** and **Ksh. 3,509,835,738** respectively.

11. County Public Service Board

A. Vision

A beacon of professionalism, integrity, equity and dedication to quality public service.

B. Mission.

To provide efficient and effective professional services for the realization of Busia County and National Development Goals through competitive recruitment, planning, developing and managing human capital.

C. Performance Overview and Rationale for Funding.

Mandate

The sector envisions being a beacon of professionalism, integrity, equity and dedication to quality public service. To achieve its vision, the sector provided efficient and effective professional services for the realization of Busia County and national development goals through competitive recruitment, planning, developing and managing human capital.

The County Public Service Board is mandated to establish and abolish public offices, appoint and confirm persons to offices, promote public service values and principles, facilitate the development of human resource, exercise disciplinary control, and prepare regular reports.

In ensuring institutional professionalism and good governance, The Public Service Board promoted transparency, accountability and adherence to national values and principles through enforcement of Leadership and Integrity Act, 2012, Public Officer Ethics Act, Performance management systems and Training curriculum.

To Promote service delivery in the county public service, The CPSB ensured human resource requirements were addressed effectively through Developing an integrated electronic human resource database to facilitate HR Planning, Reviewing existing and develop new HRM/D policies and guidelines, Developing Human Resource in the County Public Service, Developing human resource plans for the county, Exploiting research Technology and innovation and Enhancing capacity of Board members and the Secretariat staff.

Programs Undertaken

i. Recruitment of staff in the following positions;

Sign: ..... Date 7th of November, 2025

- Audit Staff
- Health Staff
- Directors and deputies in all Departments

i. Prepared the Departments Annual performance report 2023 Financial year.

ii. Successfully undertook recruitment and subsequent deployment of County Chief officers to various departments.

iii. Validation of Human Resources Policies.

iv. Undertook Performance Management Policy

Challenges Encountered

1. Inadequate working space for staff
2. Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.
3. insufficient workforce hence limiting the performance output per staff as most staff are overworked.

Lessons Learnt

1. Need for early planning.
2. Need for adequate budgetary allocation.

Way Forward

1. Timely disbursement of funds to departments to ensure programs run as per the timelines.
2. Prudent use of allocated resources.
3. Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.

D. Strategic Objectives

CP 40: General Administration and Support services

To increase efficiency and effective logistical management

12. The Governorship

A. Vision

To be an institution of honour and excellence for a democratic and prosperous County

B. Mission

To provide timely and quality services to the residents of Busia through efficient utilization of resources for the fulfilment of the Governor's mandate.

C. Departmental performance

a) Key Achievements

The department through the directorate of disaster management did a 3 KM dredging and opening of canals in Buongo-Bunyala Central and Ndekwe stream in Bunyala south to control floods.

The department did installation of lightning arrestors in Kakurikit primary school, Okook primary school, Namalo primary school, Matayos dispensary and Agenga dispensary.

In collaboration with the National Government the directorate of disaster rehabilitated the Southern dyke through the Lower Nzoia rice irrigation scheme project.

Established phase II of disaster management/Command centre in Funyula-Samia Sub-County.

The directorate of disaster has so far mitigated disaster occurrences in the County through; disaster Management Committee meetings, Flood assessment surveys and fire response drills.

Sign: ..... Date 7th of November, 2025

The Disaster directorate rolled out annual fire compliance program by inspecting and issuing certificates to fire-compliant business premises, schools, government and private buildings and prayer centers. The directorate has successfully responded and mitigated the fire incidences in the County most recently being the Mundika tanker explosion involving the Tahmeed Bus Company and LPG Container.

The disaster directorate provided relief services to almost 10,000 victims i.e. foodstuffs and non-food items to communities in Kakurikit-Teso North affected by windstorms and hailstorms resulting from heavy rains in the month of November 2023. The directorate also provided foodstuffs to flood victims in Samia and Bunyala sub-county as a result of floods emanating from River Nzoia and backflow from Lake Victoria. To avert the lightning menace that claimed lives in recent years more specifically in Teso North (Kakapel, Rwatama and Korisai the directorate continued to install additional lightning arrestors in thunder prone areas, this is to help safeguard lives of pupils/students and members of the community as well.

Under Service Delivery Unit; the mandate of the subsector is identification of projects and programmes to ensure that public services are delivered in a manner that takes into account prudent, economic, efficient and sustainable use of viable resources. The major roles include; coordinate, monitor and evaluate projects in various departments, define targets for all implementing agencies and track progress, giving recommendations to the county for the timely fulfilment of development priorities and analyse and communicate on key results/outcomes of County initiatives.

The unit conducted a round table meeting where 33 organizations with 150 participants were brought on board from within for resource mobilization and to fast-track project implementation, conducted benchmarking in different Countries and Counties to improve service delivery for resource mobilization and was able to sign MOU with Medinsure an Australian charity.

The office of the deputy governor has two sections; Policy coordination and Legislative unit. The office of the deputy governor is the pivot of the county government on matters of the County capacity development for policy formulation and coordination.
The County Secretary plays a dominant role in determining policy that lays the ground for the institution of key bills which are debated by the County Assembly. The Office of the County Secretary acts as a liaison link between the County Executive and other institutions for the purpose of effective implementation of the decisions emanating from the County Executive.

Sign: ..... Date 7th of November, 2025

The County Secretary's Office has a legal unit equipped with County Attorney's personnel to help the County on legal matters. The office continues to ensure that every effort is made to institute a productive and effective Public Service in the County.

b) Challenges

- Delay in validation and approval of disaster management policy
- Inadequate resources allocated to unanticipated catastrophes
- Delayed and long procurement process
- Budget controls affecting implementation of programs and projects at lump sum

c) Way forward

- Need to approve disaster management policy
- The County should support the department with resources to help plan and mitigate unforeseen calamities

D. Strategic Objectives

CP 41: General Administration and support services

To facilitate the coordination of programs within the department

CP 42: Disaster Risk Management

To improve on disaster risk reduction and public safety

To undertake these programmes, the FY 2025/26-2027/28 MTEF estimates for the sector are projected to be **Ksh. 1,224,404,893.** For the FY 2025/26, **Ksh. 370,461,467** has been set aside for the sector. For FY 2026/27 and FY 2027/28 the projections are **Ksh. 407,507,614** and **Ksh. 446,435,813** respectively.

13. County Assembly

A. Vision

To be a modern County Assembly that fulfils its constitutional mandate and effectively serves the people of Busia County

B. Mission

To build an effective County Assembly that is responsive to the needs of the people and that is driven by the ideals of realizing better quality of life for the people of the Busia County.

C. Performance Overview and Rationale for Funding

The County Assembly core mandate is to develop legislation, perform oversight and representation.

The county assembly overall budgetary allocation for FY 2022-2023 and FY 2023-2024 as represented in the table below:

Financial Year	Approved Revised Budget	Actual Expenditure	% Absorption
Fy 2022-2023	911,195,833	880,200,282	96.6
Fy 2023-2024	981,057,352	951,630,591.39	97.0
Total	**1,892,253,185**	**1,831,830,873**	

The key achievements in the periods FY 2022-2023, 2023-2024 are:

- Installation of e-parliament system
- Installation multi media conference system
- Construction of speaker's official residence,
- Purchase of original mace, and
- Acquisition of land for construction of ward offices.

During the implementation of the budget the Assembly encountered the following challenges:

- Reduction of the assembly budget ceilings through approved county allocation of revenue Act,
- Delayed disbursements of funds
- Down town in IFMIS processes
- Delays in approval of requisitions in the Office of the Controller of Budget
- Limited resources to meet the County Assembly expenditure needs

14. County Law Office

A. Vision

To be the best public legal service provider and promotion of democratic principles and accountability in devolved government.

B. Mission

To facilitate and promote good governance by recognizing diversity and protection and promotion of interest and rights of people through provision of public legal services in the County Government.

C. Performance Overview and Rationale for Funding

The department is comprised of County attorney, County solicitor, legal counsel and other staff members. It is mandated to provide efficient and effective legal serves to all in the public domain and County Government. It provides advisory and enactment of laws in all the Departments in the County Government. This department's budget has been inclusive in the Governorship budget all along, thus this being the second year to be independent we have therefore introduced sub-programmes namely: Litigation services, Legal fees, dues & compensation, Legal audits and risk management, Law review and revision, Legislative drafting & development, Gazettement & publication with their respective facilitative monetary values estimates for easy and effective execution of legal services.

1. Departmental performance

i. Key achievements

The department as the principal legal advisor to the county government, has achieved in areas like legal advice, drafting and vetting agreements, representing the county in courts and advising on legislative matters, contributing to effective county governance. Also, the department partnered with key international partners for training and programmes for justice sector agencies and personnel; Strengthened legislation on the Interception of Communication; Implemented the Constitution contributes to timely enactment of laws; and Effective coordinated the various agencies in developing the legislations

ii. Challenges

The department encountered various challenges during its operations, including case overload and budgetary constraint making it difficult to manage heavy caseloads

Sign: ..... Date 7th of November, 2025

iii. Way forward

The department therefore advocates for more funding to improve efficiency and push to stay proactive in adapting to new laws and policies affecting prosecution.

15. Department of Strategic Partnerships and Digital Economy

A. Vision

To forge sustainable digital transformation and foster impactful partnerships for a prosperous and inclusive digital economy.

B. Mission

To leverage technological innovation, foster strategic partnerships, integrate Sustainable Development Goals (SDGs), and ensure digital infrastructure resilience for a prosperous, inclusive, and sustainable digital economy.

C. Performance Overview and Rationale Funding

The mandate of this department derived from H.E the Governor's Executive Order No. 1/2023 is mainly to ensure formulation of policies and laws that facilitate effective and innovative use of Information, Communication and Technology (ICT) resources and to use these among others to identify, enable, formulate, promote, and foster beneficial multi-Sectoral strategic partnerships as well as SDG mainstreaming for the County.

Achievements

1. **Strategic Partnerships and Resource Mobilization**

- Secured USD4.3 million grant from Government of Demark through UN Habitat for developing the border town of Busia into a modern metropolis.

  Submitted a USD10 million (KShs.1.9 billion) proposal to UN Capital Development Fund (UNCDF) for improvement of water and sewerage infrastructure in Busia Municipality.

- Negotiated for a donation of 50 computers from Stanbic Bank for training learners at Busia VTC

- Negotiated for a Kshs. 59 million funding from USAID to support agricultural production and improve household income for small scale farmers in Busia County.

Sign: ..... Date 7th of November, 2025

- Developed and signed MOUs with a range of public and private sector agencies including the Kenya Red Cross Society, Alupe University, UN Habitat, Stanbic Bank and Shining Hope for Communities (SHOFCO).

2. **ICT Infrastructure and Digital Economy**

- Achieved 70% automation of own-source revenue collection across all departments.
- Transitioned critical county services to Konza's National Cloud Infrastructure, ensuring improved service reliability and security.
- Refurbished Bukhalalire ICT Hub, enhancing digital literacy and job access.
- Initiated the procurement of an ICT Digital Hub at Matayos VTC to support digital innovation and entrepreneurship.
- Conducted a county-wide ICT gap analysis across health facilities and departmental offices.

Additionally, the department has conducted capacity building exercise and SDG implementation through;

- Training of over 100 young entrepreneurs and start-ups in digital skills through the KCB 2Jiajiri program.
- Supported the development of the County Gender Policy and County Disaster Risk Management Policy 2024.
- Conducted 4 training sessions for staff, with plans for additional capacity-building initiatives.

Constraints/ Challenges in Budget Implementation

1. **Inadequate Budget Allocation**

- Limited funding has hindered the full implementation of ICT projects, automation processes, and capacity-building programs.
- We recommend additional budgetary allocation to the department to facilitate key programs and activities e.g. adequate office space, mobility, working tools, and equipment and development of relevant legislation e.g. strategic plan, County resource mobilization strategy etc.

Sign: ..... **Date 7th of November, 2025**

2. **Office Space and Infrastructure Constraints**

- Inadequate office space, working equipment, and furniture affect productivity.
- Poor network layout and outdated ICT infrastructure continue to hinder service delivery.

3. **Human Resource Limitations**

- The department operates with a lean workforce, limiting its ability to scale strategic initiatives effectively.
- To curb this, the department plans to capacity build staff in the department based on training needs assessments.

Major Services/ Outputs to be provided in FY 2025/2026-2027/2028 and linkage to CIDP/ADP/CFSP

In the coming year, the Directorate plans to undertake the following initiatives:

1. **Expansion of Strategic Partnerships and Resource Mobilization**

- Establish a County Resource Mobilization Hub to enhance engagement with development partners.
- Strengthen public-private partnerships to drive investment in digital economy projects.

2. **Enhancement of ICT and Digital Economy**

- Implement Software-Defined Wide Area Network (SD-WAN) for improved security and connectivity.
- Provide free public Wi-Fi in major market centers to support digital businesses.
- Automate records and document management across County departments.
- On ADP the outputs have been directly linked to CIDP through enhanced county automation and enhanced ICT infrastructure and connectivity. Ideally, the outputs have been linked to CFSP through aspects of automation of County systems, and enhanced ICT infrastructure.

3. **Capacity Building and Smart Solutions**

- Conduct specialized training in cybersecurity, cloud computing, and emerging digital technologies.
- Establish Smart City pilot projects focusing on waste management, energy efficiency, and public transport solutions.
